Carillon Students attended the Great Lakes Regional Carillon Conference at University of Chicago. They visited the Millennium Carillon in Naperville with host Tim Sleep, the Naperville carillonneur. (pictures on page 2)

The centennial commemoration of Jack Trice closing ceremony was held at the base of the campanile. The commemoration began with a bell tolling 3 times to mark the time of Trice’s death, by marking the actual time of this memorial service in 1923. Iowa State College's "Alma Mater" was played on the original 10 bells, which were installed in 1899. ISC Alma Mater was played on the chimes because the expansion of the Stanton Carillon began in 1929, and "The Bells of Iowa State" was written in 1931. Both took place after 1923. Following was an arrangement of an African-American spiritual "Swing Low, Sweet Chariot" on the 50 bells.

MODEL CONCERTS
- October 4 – College of Veterinary Medicine
- October 6 – Model Carillon Concert with a visit from Urbandale Senior Center
- October 14 – Cyclone Family Weekend Open House
- October 29 – Homecoming Kickoff
- November 3 - Model Concert
- November 9 - presentation to ISU Women's Club
